

*BAC-PACK Removes Buildup, Clears and Rejuvenates Clogged Drains and Grease Traps. Digests and Liquefies Oil, Grease, Fats, Foods, Eliminates Odors Great for septic tanks.*

*New BAC-PACK contains Active Enzymes and 10 different strains of powerful enzyme producing bacteria..... the latest in enzyme technology and performance. Enzymes instantly go to work on odors and stains. Then MILLIONS of safe bacteria generate all the additional enzymes needed for the most difficult buildup, grease or odor problem.*

*BAC-PACK penetrates deep to destroys the source of odors then leaves an invisible shield of enzyme producing bacteria on each surface, in every crevice, in drains and in tile around urinals and toilet bowls and other porous surfaces. BAC-PACK never stops working. Its residual power lies in wait to attack new grease, odors and spills as they occur.*

*BAC-PACK reduces the need for drain and trap plumbing with nature's own cleaning agent. It provides superior performance at up to 180 Degrees F. Strong enough to resist other Cleaners & Disinfectants — even dilute Bleach solutions.*

**SAFE, NON-TOXIC TO HUMANS OR ANIMALS, BIODEGRADABLE NON ACID NON CAUSTIC NON PATHOGENIC. CERTIFIED SALMONELLA-FREE.**

**BUILD-UP REMOVER  
GREASE DIGESTER  
ODOR ELIMINATOR**

**DIRECTIONS:** Shake well before use. The Bio-active colony is best established during a low use period such as at the end of the day. For best results avoid running water into treated drains for 6-8 hours.

**DRAIN BUILD UP:** Add 2-4 oz. to each drain for 3 consecutive days. Follow up with 2-4 oz 2 times per week. In larger 4 in. lines increase treatment to 6- 8 oz.

**GREASE TRAPS:** Pour directly into drain closest to grease trap. Use for a minimum of 3-4 weeks depending on degree of buildup.

TRAP SIZE START UP		DAILY DOSAGE
Under 25 Ft. Cu..	4-6 oz.	1-2 oz.
Over 25 Ft. Cu.	8-12 oz.	2-3 oz.

**GENERAL ODOR CONTROL:** Eliminates odors from all sewer drains, from around urinals and toilets in rest rooms, in garbage receptacles, dumpsters & trash cans, in athletic facilities, clinics, park facilities, kennels & animal shelters, nursing homes.

For drain odor, add 1-2 oz. of product per day directly into lines or drains and allow the bacteria to digest waste material while immediately neutralizing odors. For all surface odors spray on full strength or add 1 oz. to 4-5 gallons of mop water or cleaning solution. Mop and clean as usual. BAC-PACK stays behind to protect and preserve a fresh, just cleaned surface.

**KITCHENS:** Use in dishwashers, garbage disposals, sinks, refrigerator drains, floor and mop drains.

**CONTENTS:** Nonylphenoxypolyethoxy ethanol CAS (9016-45-9), Bacteria Mixture, Enzymes, Odor Neutralizing Complex, Perfume Mixture. HMIS RATING: Health-1; Flammability -0; Reactivity-0; Personal Protection-A.

**Warning:** Irritant to eye tissues. Do not get into eyes. Irritant to sensitive skin. Avoid contact with skin or clothing. Wash thoroughly after handling.

**First Aid:** **EYES-**Flush with plenty of water for at least 15 minutes. See a physician. **INGESTION-**Drink plenty of water. Call a physician or poison control center. **SKIN-**Flush with plenty of water.

**KEEP OUT OF REACH OF CHILDREN**
